v.

Melrose Diner; Penrose Diner; Oregon Diner; South Street  
Diner; Broad Street Diner; Morning Glory Diner; Diner on the Plaza,  
DefendantsComplaint"42 USC 1983 | Price Gouging | civil and constitutional violations"

comes now the Plaintiff, Jonathan Lee Riches, pro-se, under 42 USC 1983, and civil rights violations. I'm incarcerated illegally at FCI Williamsburg. I'm being held in solitary confinement. I'm being served nothing with nutritional value. I wrote letters to all the Defendants explaining my starvation. Defendants failed to provide me with food. I'm an American Patriot. I have distant relations to Gen Franklin. Only 1 diner wrote me back on Nov 11, 2007, that is the Melrose Diner. The owner told me I get nothing but crumbs and also called me a racist statement, he called me a holocaust Jew and hopes I starve at FCI Williamsburg. Defendants throw away tons of food in dumpsters, and give extra food to Alby cats, but fail to help a true starving Patriot. They have the financial means to send me fresh diner food, hot rolls, soup of the day, but are violating my constitutional rights. I seek a meal, as I'm starving, and I need to stay alive.
